

PROUDLY PRODUCING THE WORLDS THINNEST WATERMARKED PRE-ROLLED PAPER CONES®, FAMOUS FOR THEIR SMOKING PLEASURE SINCE 1994.

Established and developed by the legendary Dutch Vandenberg family, Vandenberg Special Products B.V. is the leading global producer of authentic conical products, to more than 45 countries worldwide, offering both brand and product customization.

The exceptional quality of our papers have been appreciated by discerning smokers for more than 20 years and still today, ensure a pure, slow and perfectly even burn, offering an unsurpassed smoking experience.

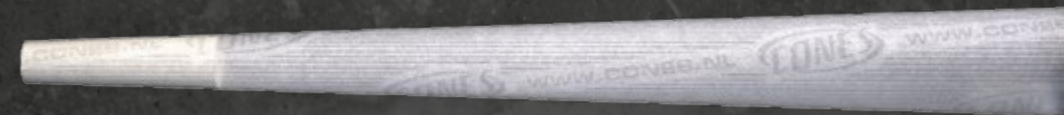

As the market leader, we have maintained the consistency of our materials and ensured our papers are FDA approved for both recreational, as well as medical use. Our extensive range of conical products, are offered in Original, Natural and 100% Pure Hemp varieties, sourced from certified eco-friendly pulp.

As the worlds leading producer of the Original Pre-rolled Cones® since 1994, we offer the largest range of smoking paraphernalia, backed by our outstanding service and supply capacity.

THE THINNEST SMOKING QUALITY POSSIBLE!
